

Whistler Blackcomb Foundation Supports Pemberton Food Bank

For Immediate release – February 7, 2012

Sea to Sky Community Services (SSCS) is very pleased to announce a \$5000 gift from the Whistler Blackcomb Foundation in support of their Food Bank offered in Pemberton.

“This is the third year we have been awarded the \$5000 and it makes such a difference for the community!” says SSCS Executive Director Lois Wynne.

“This is a much needed service for families in Pemberton and we could not offer it without generous community support from individuals and Foundation Partners like the Whistler Blackcomb Foundation.

The Food Bank is open every other Monday and averaged 200+ visits per day in December. Visitors include residents from Pemberton, Mt. Currie, D’Arcy, and surrounding communities and many families with children.

“We recognize the value of the Food Bank offered through Sea to Sky Community Services and are proud to support a program that helps local families in such an essential way”, says Whistler Blackcomb Foundation Executive Director Mei McCurdy.

For more information on the Pemberton Food bank or to donate, contact SSCS Food bank Coordinator Louise Stacey-Deegan at 604.698.5521. The Food Bank operates from 1366 Aster Street. Donations are welcome and needed year round.

Sea to Sky Community Services Society is a registered charity founded in 1978. We believe all individuals have the right to meaningful work, affordable housing and support in times of crisis and to meet every day challenges.

The Whistler Blackcomb Foundation is dedicated to providing financial support to organizations whose activities provide benefit to residents of the Sea to Sky Corridor in the areas of health, human services, education, recreation, arts & Culture and the environment with a special emphasis placed on youth and family programs.
