## Childcare Fees – Preschool-aged Programs

Valid for the 2022/23 school year – effective July 1, 2022

Fees are paid monthly in advance for the number of days your child is registered, as long as the program is running. You do not pay for days when the program is not running such as Statutory Holidays and Professional Development days. Fees are due within the first 10 days of each month and are based on daily rates and will fluctuate every month. Any fees paid after the 10<sup>th</sup> will have a \$15 late charge applied.

Fees in brackets reflect the Childcare Fee Reduction Initiative and are also used to complete the Affordable Childcare Benefit forms.

**\$45.50** Garibaldi Highlands Preschool (no reduction)

**\$61.50** Brackendale Childcare Program (under 3yrs: **\$44** / 3-5yrs: **\$56.50**)
