ABOUT SSCS:

Founded in 1978, Sea to Sky Community Services (SSCS) is one of BC's most respected and established community service organizations. We operate within a large geographic area - from Pemberton to Britannia Beach - supporting individuals and families living in the Sea to Sky Corridor. We offer 41 programs and services, including early childhood development, childcare, affordable housing, outreach, counselling, family support, seniors and youth services, community living services and respite. We provide a range of services that support our communities and residents through all ages and stages of their lives. Last year, SSCS served 6500 individuals and families in our region.

The Program Support Worker is responsible for implementing the team based Supported Development program goals with direction from the Supported Child Development Consultant and the centre supervisor, in accordance with the goals and philosophies of the particular child care setting(s). The work involves planning and carrying out, in conjunction with the other staff and professionals, activities to promote social and personal developmental of children who require extra support and liaising with family.

Qualifications:

1. ECE certificate and/or child care related training. Equivalent courses and education could be considered in some circumstances.
2. One or more completed post-basic courses in special needs education or equivalent workshops in child development and disabilities.
3. Minimum two years experience working with children.
4. Valid First Aid Certificate.
5. Certain positions may require a valid driver's license.

Job skills and abilities:

1. Strongly demonstrated interpersonal and communications skills.
2. Demonstrated ability to work well within a team setting, be well organized, flexible and able to adapt easily to new situations.
3. Demonstrated understanding and practice of family centred care.
