

## CRR Resource Library

One of the benefits of the Childcare Resource and Referral Program is access to the resource library.

Those new to our resource library will find our programming resources helpful, as will the seasoned caregiver who is looking for new ideas. Our bins contain toys and resources that can be used to expand the curriculum and provide a well-rounded program, with many enjoyable activities for the children to explore.

The Childcare Resource and Referral Program purchases items for the Resource Library and gladly accept donations of new or gently used items.

### Use of Library and Responsibilities

To borrow items from the Childcare Resource and Referral Program, you will be required to sign a Lending Library Agreement.

Parents/Nannies or any interested persons in the community are welcome to borrow items.

Borrowed items must be cleaned before being returned to the office and any pieces that have been broken or lost must be replaced.

It is possible to reserve items and the office will notify you when they have been returned.
