“Where our Skwxwú7mesh and Lil'wat cultures meet,
grow, and are shared.”

In 1997, the Resort Municipality of Whistler (RMOW) met with the Lil'wat Nation to consult about opportunities for the Nation's participation and presence in Whistler, BC. Out of these discussions, the idea of a world-class cultural centre was born and a relationship in the spirit of goodwill and cooperation evolved. Join us for a tour and enjoy a

- Welcome song
- 15-minute film
- Brief introduction to the Cultural Centre; and
- Create a Dream Catcher while a First Nations Ambassador shares their Nations' stories behind it.
