## Program Support Worker— Supported Child Development

### Part-Time, Permanent

We're looking for two (2) child-focused, enthusiastic applicants to work on a part-time, permanent basis (20hrs/week) in our Supported Child Development Program in Squamish.

The Program Support Worker will assist in planning and carrying out both individual and group children's activities to promote their social and personal development, particularly children who may require extra support in childcare settings. The work also involves liaising with the families of children.

#### **Here's what you need:**

- 1) ECE certificate and/or childcare related training. Equivalent courses and education could be considered in some circumstances.
- 2) One or more completed post-basic courses in special needs education or equivalent workshops in child development and disabilities.
- 3) Minimum two years' experience working with children.
- 4) Valid first aid certificate.
- 5) Strongly demonstrated interpersonal and communications skills.
- 6) Demonstrated ability to work well within a team setting, be well organized, flexible and able to adapt easily to new situations.
- 7) Demonstrated understanding and practice of family centred care.
- 8) Considerable knowledge of the needs of children with behavioural and/or developmental difficulties.

**Compensation:** As per BCGEU Collective Agreement, starting wage is \$21.63 per hour.

#### **Apply today**
